English	<p>To use phonic knowledge to write words and sentences.</p> <p>To use phonic knowledge to sound out and blend words.</p>	<p>For the next two weeks I want you to imagine yourself as a pirate! Here are a few pirate tasks you could try over the next two weeks.....</p> <ul style="list-style-type: none"> • Can you draw yourself as a pirate? What sorts of things might you wear? Can you write some labels to go with your picture. • Could you write a message in a bottle? If you were sailing in your pirate ship what message would you send home to your family? Say your sentences out loud before you write it down. Don't forget to sound out each word. <div data-bbox="680 533 1263 671" style="text-align: center;"> </div> <p>★ Log on to IXL and have a go at games involving upper and lower case letters. Can you recognise them?</p> <p>Outdoor reading – When you go for a walk see how many words you can read on one store front. How many posters and signs are in the shop windows?</p>		
Maths	<p>To use objects to subtract two numbers.</p>	<p>Put your eye patch on and go on a treasure hunt! Can you find things to help you practise your take away skills? Take a group of objects and count them out. Now take some away (choose an amount between 1 and 5). How many do you have left? Practise doing this until you are confident. Now you're confident, try and write the number sentences to go with your treasures e.g. $10 - 4 = 6$</p> <div data-bbox="725 1007 1252 1177" style="text-align: center;"> </div> <p>★ Log on to IXL and have a go at subtracting numbers to 5 and then 10.</p>	<p>Could you make some salt dough coins and use them to take away.</p> <p>https://www.bbcgoodfood.com/howto/guide/how-make-salt-dough-recipe</p>	

<p>Science</p>	<p>To talk through my ideas.</p> <p>To make observations and explain what you see.</p>	<p>Can you make your own mini boat? Think about what materials would be best. Would paper make a good boat? You could even try collect sticks and making a raft. Which material works best?</p> <div data-bbox="524 264 1328 418"></div> <p>Magic milk – Can you place some milk in a dish/tray. Put some drops of food colouring on the milk then take a cotton bud and gently dip into the milk. What happens when you touch the colours with the cotton bud?</p> <div data-bbox="842 552 1137 746"></div>
