Are they allowed to wear facemasks?

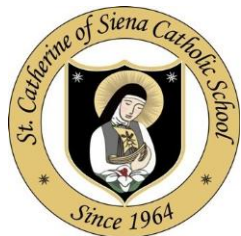

- Face masks are not allowed to be worn in school. School staff will also not be wearing face masks.

What is the school lunch menu?

- We are currently only having packed lunch options. Children are able to bring two healthy snacks (two pieces of fruit/veg, not cereal bars etc.) – one for the morning and another for the afternoon. On Monday 7th September, the options will be either a Chicken Korma Wrap or a Cheese and Salad Wrap. This menu will run until October. Children can still bring in their own packed lunch from home.

What should I do if my child feels ill?

- For 'normal' sickness (e.g. tummy upset, colds), please follow the school reporting arrangement of texting the school number. If your child displays Covid symptoms, please keep them and any siblings off school. You should text and email the school and a member of the SLT will call you back.

What will happen if a member of the school community tests positive for Covid-19?

- The Government have set out a clear procedure for if someone tests positive – we will follow this and be guided by Public Health England as to our next steps.
