## Weekly Newsletter:

I am absolutely delighted that all the children will be returning next week, on Monday 8th March. However, we do have some preparations to make before we are ready to welcome 280 children back into the building in the most Covid-secure way possible. Therefore, next Friday, 5th March will be a no-screen, Learn Differently Day. All staff will be on-site, reorganising the classrooms and common parts and carrying out additional cleaning.

For those at home, the LDD is a chance to rejoice at getting to the end of Home Learning: an opportunity to do something fun and different before we return to the routine of school life! For those at school, it will be an opportunity to mark the end of their time as a little Bubble and celebrate the new friendships they have formed. If your child has been in school as a key worker/vulnerable child, please feel free to send them in next Friday, even if they don't usually attend on Fridays. We will have a little party together in school.

Please don't 'sweat the small stuff' when it comes to getting the children back into school. For all that I would like them in school uniform, I understand that some will have shot up and you may not have clothes that fit - that is fine! Your child (or you!) may experience some 'wobbles' on the Sunday night or Monday morning - it's okay, we will be on the roundabout and playground ready to help them in. We aren't worried about whether they have a glue-stick or if you forget their lunchbox. Please just be kind to yourself and them!

I'm so proud of the way that the children have coped with this new way of learning. I have been astonished by their resilience, determination and independence. This experience has proven the importance of promoting learning behaviours and 'character' over pure knowledge. This is something we will all take back to school with us.

Wishing you a wonderful final week of school lockdown. I cannot tell you how excited I am to be able to wave to you all on the roundabout next week!

God bless,  
Ms Kane
