Weekly Newsletter:

I think that everyone now seems to be in much more of a routine with the 'new normal'. The St Catherine's children have shown incredible maturity in the way they have adapted to the current situation. The SLT have spent a lot of this week discussing and sharing ideas with other schools about our Remote Learning Offer. I will save details of that for my weekly update, but I wanted to thank those of you who have provided me with feedback.

The highlight of my week was our first SLT Zoom Lunch. This was a chance for us to congratulate those pupils who were awarded either Class Star or a Headteacher's Award. It was lovely to hear about the fantastic work they have been producing, both in school and out. I was also delighted to hear that some of the awards were for 'biggest improvement', 'always trying hard' and 'completing every task and handing it in on time'. As well as gaining new knowledge, our children are clearly developing their attitudes to learning – this will stand them in great stead.

All of this week's Class Stars and HT Award winners will be invited to join us for a Zoom on Thursday at 12.30pm. I can't wait to celebrate their success!

Thank you to those of you who sent in a response to our SLT Dance Challenge and MLK work. We will put those together and share them with you all next week. This week is our Cooking Challenge. Please take the opportunity to teach your child a life-skill and share it with us.

Wishing you a relaxing and safe weekend.

*God bless,
Ms Kane*
