Star: Zaynab, Charlie & Caitlin for being an amazing member of Y6 & St Catherine's!

Easter Newsletter:

Most of the school have been completing assessments this week. The aim of this is ensure that teachers are fully aware of the gaps that need addressing in the Summer Term. We have been really impressed by the resilience shown by pupils. Plans are in place to ensure that the Summer Term enables the children to enjoy the full range of Foundation Subjects (Art, D&T, PE etc.) that they may have missed out on due to lockdown. It is going to be a very fun term!

Today we marked the end of term with Lenten liturgies held in class. Members of staff reported being moved to tears by the children's readings. Thank you to those who led the liturgies for making them so special.

It is always sad when families leave St Catherine's. As well as missing the children, we also lose parents who are valued members of our school community. Today we said goodbye to the Agachi and Evans families, who are both relocating. We wish Noa-Isabella, Cristian and Caitlin good luck in their new adventures. They and their families will always remain a part of the Family of St Catherine's.

I cannot believe that it has only been three weeks since full reopening – it feels like a lifetime! I am sure that many of you, like me, are ready for the Easter break. It is also lovely to know that we will finally be able to meet up with some people outside our household bubbles. I hope that you are all able to make the most of this!

May the renewal of life at Easter bring new blessings of love, hope, peace, good health and happiness to you and your loved ones.

God bless,
Ms Kane
